If a candidate is not suitable at this point, NIET can direct the student to obtain sufficient support for the level qualification they are seeking. E.g.: a recommendation to Foundation Skills course to enable them to achieve their chosen pathway such as Certificate III or a Diploma level. We also discuss:

- Course suitability
- Ensure Student is well informed of course they are applying for; assessment requirements; assessment conditions
- Existing educational attainment, capabilities, aspirations and interests
- Discuss likely outcomes and job opportunities
- Support for equity and the disadvantaged
- To assess the LLN level for qualification
- Identify any support required for the Student in regard to equity and access; medical, wellbeing or physical requirements to support their learning and assessment
- Cooling off period

NIET ensures prospective students are suitable for their chosen course as defined against the Skills First Quality Charter.

You may access a copy of the Skills First Quality Charter on our website: <http://www.niet.com.au/fees-funding/>
