Practical Placement

To achieve this qualification, candidates must complete at least 130 hours practical placement as detailed in the Assessment requirements. Learners are to wear a NIET polo shirt and name tag, supplied by NIET to be identified as NIET learners on placement. For learners who are currently working in the industry, working hours for practical placement may be used but they must obtain permission from their employer.

Placement may only commence from Week 10 onwards. Learners are provided with an additional 8 weeks after the last classroom based session if electing to complete in a block, or require additional time to finalise hours, projects and assessments.

Learner directed studies

Learners should be prepared to allocate time outside of the classroom to undertake reading, research, completing assessments and any general study. This can vary between 7-10 hours per week over the duration of classes and placement time. Our trainer will support learners throughout the course and after classes via email, phone or skype. Learners are welcome to use the computer lab located at NIET's office.

Locations

405 Ground Floor, Nepean Highway
Frankston
Victoria

Mode of Delivery

This course is delivered through a blended delivery method with classroom based delivery (trainer directed learning), skills development in the workplace during practical placement and learner directed studies (mentioned above). You will be provided with a text book and an assessment for each unit of competency. In addition you will be required to work independently out of class time and have access to a computer and internet.

Assessment Methods

NIET uses a range of assessment methods to ensure sufficient evidence can be gathered to demonstrate you can perform the tasks against the specified criteria. Assessment methods may include the following:

RTO Entry Requirements

Pre-Training Review

Prospective learners are interviewed by NIET's Student Support Coordinator or Trainer. This process is to ensure that all learners are assessed as a suitable candidate to the qualification they have chosen. Learners are assessed and pre-approved for a course enrolment. If a candidate is not suitable at this point, NIET can direct the learner to obtain sufficient support for the level qualification they are seeking. E.g.: a recommendation to Foundation Skills course to enable them to achieve their chosen pathway such as Certificate III or a Diploma level. We also discuss:

- Course suitability
- Ensure learner is well informed of course they are applying for; assessment requirements; assessment conditions
- Existing educational attainment, capabilities, aspirations and interests
- Discuss likely outcomes and job opportunities
- Support for equity and the disadvantaged
- To assess the LLN level for qualification
- Identify any support required for the learner in regard to equity and access; medical, wellbeing or physical requirements to support their learning and assessment
- Cooling off period

NIET ensures prospective learners are suitable for their chosen course as defined against the Skills First Quality Charter.

You may access a copy of the Skills First Quality Charter on our website: <http://www.niet.com.au/fees-funding/>

Reasonable adjustments

There may be times and situations in which a learner may require 'reasonable adjustment' of the training and assessment methods implemented by NIET Training to meet their specific individual needs. These individual learner needs may include (but not limited to):

- Disability
- Temporary or permanent injury (i.e. back injury, broken leg/arm)
- Sight or hearing impairments

The reasonable adjustments to the training and assessment process may include a variety of modifications to the methods of delivery and assessments to assist the learner undertake the course. The adjustments may include actions such as:

- proposed learning strategies and materials that are appropriate for the individual
- adjustments to the assessment methods and or practical placement (if required) to cater for any special needs (without effecting the integrity of the outcome)

I.T Requirements

To complete the course you will need access to a computer and the Internet. Please provide a current email address on the enrolment form in the relevant space provided. Your Trainer and our Administration Team will be required to communicate with you via email.

In addition you will need to have a range of computer skills to conduct research on your current topics to complete some or all of your assessments. In particular, you will need skills in word processing.

Minimum Age Requirements

The minimum age to apply for this course is 15 years old. If under the age of 18, a parent/guardian signature will be required upon enrolment and you may be required to present evidence of leaving secondary school. All individuals will undertake a Pre-Training Review to determine suitability.

Literacy, Language, Numeracy (LLN) and Foundation Skills (ASCF) Requirements

Learners must have an adequate level of Language, Literacy and Numeracy skills (LLN). Entry into the course requires English proficiency to Year 10 level or equivalent. Learners are able to test their LLN skills by completing an appropriate level LLN test at the Pre-course Interview. For additional information and support contact the Reading Writing Hotline at www.readingwritinghotline.edu.au

The Australian Core Skills Framework (ACSF) describes the core skills of learning, reading, writing, oral communication and numeracy across five levels of performance. The framework is primarily used by language, literacy and numeracy (LLN) practitioners for reporting on core skill levels of a learner. However, the ACSF can also be used in other contexts, such as in the workplace and in training specifications to accurately and consistently describe core skill requirements.
