Nepean Industry Edge Training

WE ARE THE TRAINING EXPERTS!

Running a Successful Celebrancy Business Workshop

Developing and managing your own celebrancy business can be challenging – so we have designed a workshop to help celebrants build and grow a thriving business. During the workshop, celebrants will learn practical strategies and techniques for establishing a strong business foundation, attracting clients, and managing the day-to-day operations of their celebrancy business.

By the end of the workshop, celebrants will have gained the knowledge and skills necessary to build and run a successful celebrancy business. They will have a better understanding of the key factors that contribute to business success and will be equipped to make informed decisions and take strategic actions to achieve their goals.

Through a flexible and supportive classroom-based learning environment, you will develop the confidence you need. We provide a warm and welcoming environment, where all our trainers are caring and dynamic with extensive industry experience. NIET is a highly reputable and established organisation that focuses on delivering quality training to its students.

Workshop topics include:

- Developing effective marketing
- Building strong relationships
- Setting pricing and payment structures
- Regulatory requirements
