

Nepean Industry Edge Training

WE ARE THE TRAINING EXPERTS!

Social Media for Celebrants Workshop

This training workshop is designed to help marriage celebrants use social media platforms effectively to promote their services. During the workshop, you will be shown engaging and informative social media posts that can be used to increase your online visibility, and how to build and maintain a positive online presence.

By the end of the workshop, you will have gained the knowledge and skills necessary to use social media platforms to enhance your professional profile and reach more clients. You will have a better understanding of the power and potential of social media as a tool for marketing, communication, and engagement.

Through a flexible and supportive classroom-based learning environment, you will develop the confidence you need. We provide a warm and welcoming environment, where all our trainers are caring and dynamic with extensive industry experience. NIET is a highly reputable and established organisation that focuses on delivering quality training to its students.

Workshop topics include:

- Use social media platforms effectively
- Digital etiquette
- Protecting personal & professional information
