WE ARE THE TRAINING EXPERTS!

CHC41015 Certificate IV in Celebrancy

Perhaps someone close to you has asked you to act as celebrant at their wedding, or maybe you just love weddings and want to play a part in that very special occasion. We can help you take your first steps towards becoming a celebrant, as this course provides you experience in conducting ceremonies and setting up your own business. This course will also give you the necessary qualification you need to apply to the Attorney General to become a marriage celebrant.

NIET is a highly reputable and established organisation that focuses on delivering quality training to its students. We provide a warm and welcoming environment where all our trainers are caring and dynamic with extensive industry experience. Through a fun, flexible and inclusive classroom-based learning environment, you will develop the confidence you need. To complete this course, students need computer skills to research online topics and create basic word processing documents.

Course topics include:

- How to develop a celebrancy practice
- Establishing client needs
- Designing and organising personalised ceremonies
- Working with a range of people
- Making presentations
- Working with clients to plan ceremonies
- How to meet legal and ethical requirements

Classroom based course, with regular homework

All courses are classroom based with student's being taught by a trainer who guides and supports them through all aspects of the course.

- Intensive one week option – students attend one week on campus and have up to five months in total to complete the course, which requires around 10 hours a week of study.

Students should allocate time each week outside the classroom to undertake reading, assessment tasks and general study. A trainer supports students throughout the course with email and phone support.

Evening study sessions are offered via Zoom once a month, to provide ongoing support with completing course tasks and assessments. These sessions are highly recommended, as it provides students the opportunity to interact directly with the teacher and other students.

Assessment Methods

NIET uses a range of assessment methods including:

- Written assessments
- Projects
- Case studies and scenarios
- Presentations
- Role plays
- Observations

Education and Support Services

Students are provided with a range of support services depending on their individual needs. All students have access to their trainer, who has extensive experience and expertise in the course content and industry. For further information regarding education and support services please contact us, as we are always happy to help.
