

Nepean Industry Edge Training

WE ARE THE TRAINING EXPERTS!

HLTAID011 Provide first aid

Includes

HLTAID009 Provide cardiopulmonary resuscitation (CPR)

This workshop provides you with skills and knowledge to provide first aid response, life support, and management of casualties until the arrival of other assistance. These two units can be completed individually in half a day each, or you can combine them together into a one-day workshop.

We provide a warm and welcoming environment, and all our trainers are caring and dynamic with extensive industry experience. NIET is a highly reputable and established organisation that focuses on delivering quality training to its students. Through a fun, flexible and supportive learning environment, you will develop the confidence you need.

All participants are sent an e-book and set of questions that must be completed before attending the workshop. For the assessment, participants must work on the floor and kneel to demonstrate the required tasks.

Over the day you will learn about:

- Infection control
- DRS ABCD
- Management of unconscious patients
- Resuscitation and defibrillation
- Wounds and bleeding
- Spinal injuries, sprains, and breaks
- Bites and stings

Assessment Methods

NIET uses a range of assessment methods including written answers, practical tasks, and oral questioning.

Once the workshop fee has been paid, all registered participants are sent a First Aid e-book. The e-book provides knowledge that is put into practice during the workshop. Before attending you **must** read the e-book and complete a set of questions, so that you have a basic understanding that can be applied on the day.

Education and Support Services

Students are provided with a range of support services depending on their individual needs. All students have access to their trainer, who has extensive experience and expertise in the course content. For further information regarding education and support services please contact NIET, as we are always happy to assist.

ENROLMENT PROCESS

Under 18 years of age requirements

If under the age of 18, a parent/guardian signature will be required for enrolment and throughout the course.

Language, Literacy and Numeracy

As part of the pre-training review, prospective students take part in a Language, Literacy and Numeracy assessment that allows students to be placed into a course that is at the correct level for them.
