

Nepean Industry Edge Training

WE ARE THE TRAINING EXPERTS!

HLTAID003 Provide first aid

Includes

HLTAID001 Provide cardiopulmonary resuscitation (CPR)

All courses are going ahead as scheduled, however due to COVID-19 we are undertaking extra cleaning and following all government guidelines to ensure the safety of staff and students.

This workshop provides you with skills and knowledge to provide first aid response, life support, and management of casualties until the arrival of other assistance. These two units can be completed individually in half a day each, or you can combine them together into a one-day workshop.

We provide a warm and welcoming environment and all our trainers are caring and dynamic with extensive industry experience. NIET is a highly reputable and established organisation that focuses on delivering quality training to its students. Through a fun, flexible and supportive learning environment, you will develop the confidence you need.

Over the day you will learn about:

- Infection control
- DRS ABCD
- Management of unconscious patients
- Resuscitation and defibrillation
- Wounds and bleeding
- Spinal injuries, sprains and breaks
