

WE ARE THE TRAINING EXPERTS!

HLTAID004 Provide an emergency first aid response in an education and care setting

All courses are going ahead as scheduled, however due to COVID-19 we are undertaking extra cleaning and following all government guidelines to ensure the safety of staff and students.

This unit applies to educators and support staff working within an education and care setting who are required to respond to a first aid emergency, including asthmatic and anaphylactic emergencies. Approved by ACEQA, this unit provides the knowledge and skills required to respond, apply a broad range of first aid procedures and communicate and report on emergency situations. Great for anyone that works with children.

Over the day you will learn about:

- Infection control
- DRS ABCD
- Management of unconscious patients
- Resuscitation and defibrillation
- Wounds and bleeding
- Spinal injuries, sprains and breaks
- Asthma and Anaphylaxis
- Bites and stings
