

WE ARE THE TRAINING EXPERTS!

HLTFSE001 Follow basic food safety practices (Food Handlers)

All courses are going ahead as scheduled, however due to COVID-19 we are undertaking extra cleaning and following all government guidelines to ensure the safety of staff and students.

Commonly known as Food Handlers, this workshop is aimed at workers in the community services sector including aged care, home and community care, disability, leisure and health, early childhood and general health services.

The workshop gives participants the practical skills and knowledge to confidently handle food safely during storage, preparation, display, service and disposal. The session provides practices to prevent contamination of food and how to follow standard hygiene procedures.

We provide a warm and welcoming environment and all our trainers are caring and dynamic with extensive industry experience. NIET is a highly reputable and established organisation that focuses on delivering quality training to its students. Through a fun, flexible and supportive learning environment, you will develop the confidence you need.

You will learn about:

- Hygienic procedures
- Food hazard
- Reporting requirements
- Preventing food contamination
- Food preparation techniques
- Storage and disposal of food
